Knights in Action Community Service Activity Log

(For use by rising 9th graders)

This form is available for use by students who will be entering Ardrey Kell High School as freshman during the 2017-2018 academic year. The purpose of this form is for students to track summer community service activities from June 10, 2017 to August 28, 2017, at which point students will have access to the x2VOL platform through Naviance to record hours for verification. Students are not required to earn hours over the summer, nor are they required to use this form to document hours. This form is provided as a matter of convenience to the rising 9th graders who do not yet have access the Naviance or x2VOL systems.

Rising 9th graders are encouraged to familiarize themselves with the policies, procedures, and expectations of the Knights in Action community service program by reviewing information at www.akvc3.com/kia.

Please feel free to touch base with Mr. Knoblich at andrewj.knoblich@cms.k12.nc.us with any questions or concerns.
